

Welcome!

Here we go with this grand experiment, our very first Editor-Contributor Meetup. This forum is intended for the students who worked on Volume 14, but we also welcome current and alum editors/contributors to participate as well.

This forum is a chance to chat about the process of editing Volume 14. Ask contributors about their work, give backpats and/or let there be some get-to-know-you time for the avid readers-writers of Polyphony Lit.

We invite you to start new posts or contribute to any existing one. Everything and anything is game, except for:

- Discriminatory comments
- Foul language
- Inciting posts
- Spam and self-promotion
- External links

We scheduled this to be “live” on February 9 at 3:00pm Central Time. But, we will leave this Forum open for the time being and invite you to check-back to see how the conversation goes. If you need to reach out to us, email us at info@polyphonylit.org

Have fun!
